PRIVATE EVENTS AT HARBOUR HOUSE

Harbour House is situated on Bristol's historic floating harbour in the iconic 19th Century transit shed, the last one remaining in the South West and once rumoured to be Isambard Kingdom Brunel's private boathouse. With stunning original features, it can be transformed into the perfect venue for your celebration.

Our spacious, fully licensed restaurant and bar areas can be converted into dining, drinking and dancing areas respectively for over 100 guests. If that's not enough, we have one of Bristol's best outdoor spaces with our Harbourside balcony and terrace boasting some of the city's iconic views and outside bar.

VENUE HIRE CHARGES

All our venue hire charges vary throughout the year. These are determined by month when your event will be taking place, time/day of the week and amount of guests for your event. All spaces are subject to a hire charge and 10% service charge.

For more information on this please contact us with all the information on your enquiry.
