Cream Tea

£7 per person

Plain & Fruit Scones with Cornish clotted cream & jam

Unlimited tea and coffee

Why not add...

A glass of 'Britz' (British-Fizz)

We love wines of the British isles here at Harbour House and now more than ever is the perfect time to support these amazing producers. With the terroir over here being very similar to that of the champagne region, this country can produce sparkling wines of similar style. Many of these producers have come top in prestigious wine awards leaving top champagne houses in their shadows.

'G & Tea'

£9 per person
