# Your Romance Starts Here

Harbour House is situated on Bristol's historic floating harbour in the iconic 19th Century transit shed, the last one remaining in the South West and once rumoured to be Isambard Kingdom Brunel's private boathouse. With stunning original features, it can be transformed into the perfect wedding venue for your big day.

Our spacious, fully licensed restaurant and bar areas can be converted into dining, drinking and dancing areas respectively for up to 120 guests. If that's not enough, we have one of Bristol's best outdoor spaces with our Harbourside balcony and terrace boasting some of the city's iconic views and outside bar.
